## Green Range Declaration

Dear Customer,

The Mondi Green Range consists entirely of FSC® / PEFC™ certified office and printing paper from responsibly managed forests or totally chlorine-free paper (TCF) or 100% recycled paper. Green Range papers are produced according to the leading environmental and social practices, and all Mondi Uncoated Fine Paper mills are ISO 9001 and ISO 14001 certified and all Mondi paper grades are EU Ecolabel certified.

By meeting one or more of the above described criteria your product is a certified member of the Mondi Green Range family.

This confirmation shall also be valid for your customers.
